Dear Dr. Gavrilov,

This letter is an official invitation for you to take part in the seminar "Projecting Future Mortality", organised by the Continuous Mortality Investigation Bureau and the Government Actuary's Department, being held in Edinburgh on 5-7 October 2003, and give an invited lecture together with your scientific collaborator, Dr. Natalia Gavrilova.

The travel expenses associated with your business trip (including airfare, as well as accommodation and meal expenses) will be covered by the Organizing Committee.

I do hope you will be able to contribute to this seminar. Please feel free to call me with any questions on +44 (0)131 451 3209, or email me at A.S.Macdonald@ma.hw.ac.uk.

Yours sincerely,

Professor Angus Macdonald
